Benefits of a Crisafulli Bros. Red Carpet Treatment Service Agreement

You will be entered into our database as a **Red Carpet Customer**, entitling you to enjoy the following benefits for all of your Heating, Air Conditioning and Plumbing needs:

Priority Customer Status - Red Carpet Customers receive preferential treatment and move to the front of the line!

No Emergency Overtime Charges - Pay our regular billing rate for emergency calls on nights, weekends and holidays. Emergencies are defined as: no heat, no water, major back ups and major leaks.

10% Discount - Pay less on parts and labor for all repairs. Not to be combined with any other offers, discounts or coupons.

Fully Transferable - This Agreement is fully transferable to your new home or to the subsequent owner of your current home.

Meets Warranty Requirements - Most warranties require annual equipment maintenance to remain valid.

Service You Can Trust - For over 75 years the Crisafulli family and our skilled technicians have been providing fast, dependable and fair services.

Service Renewal - This agreement shall be for an initial period of 1 year and will automatically renew annually unless either party cancels this agreement by giving thirty days written notice before expiration date.

Monthly Payment Option - We are now offering the option to pay for your agreement in 12 monthly installments via credit card.

Allowance - \$250 to be used toward a complete system replacement and \$50 to be used toward any Indoor Air Quality equipment replacement or installation. (Allowances cannot be combined with any other discounts or offers.)

Satisfaction Guaranteed - Our Agreement may be canceled at any time for any reason.

Why Have A Service Agreement?

Peace of Mind - Let Crisafulli Bros. worry about the safety and proper operation of your home's comfort system. During annual tuneups we identify and stop small problems before they become costly ones and verify the safe operation of your equipment.

Extended Equipment Life - Mechanical systems last longer when properly maintained, potentially up to twice as long as neglected equipment.

Increased Comfort - Properly maintained equipment cools better, heats better and humidifies better.

Lower Costs - Clean running equipment can save as much as 35% on energy cost and catch minor problems before they become major expenses and inconveniences. More comfort for less cost!

Appointment Scheduling - You no longer need to remember to call for your tune up each year. We contact you to schedule your annual appointment to keep your system running as efficiently as it was intended to!

Maintenance Documentation - Agreements provide documentation that you have properly cared for and maintained your equipment and your home.

Increased Capacity - A clean system provides more heating or cooling capacity than a dirty one.

Reduces Health Risks - A clean system circulates cleaner air through your home.

Crisafulli Bros. combines the pride and craftsmanship you expect from a locally owned and operated family business with the resources and knowledge available from a large national company.

With over 60 trucks and 100 professional, knowledgeable and friendly employees, we are available 24/7 for all of your plumbing, heating and air conditioning needs. We treat every job or project, no matter the size, with the "Red Carpet Treatment" it deserves.
